

## Questionnaire for parents about Special Educational Needs.

Dear Parents and Carers, We are asking your views about special educational needs in our school. This is to help us give all the children the best education possible. Please fill in the questionnaire and send it back to school. We value what you have to say.

Questions				Comments
Are you pleased with the progress your child is making at school?		11%	89%	- All parents were happy with their child's progress.
How well does the school keep you informed about your child's progress?		22%	78%	<ul style="list-style-type: none"> <li>- The school strives to keep parents fully informed of all aspects of their child's curriculum.</li> <li>- New meetings have been introduced between all key staff, parents and the child to ensure that the child's needs are being met.</li> <li>- The outcomes identified at the meetings are used to plan the extra support for the child. These will then be reviewed at the next meeting.</li> </ul>
Do you know exactly what extra support your child gets?		22%	78%	
Can you approach the school if there is a problem?		22%	78%	- Western Primary School offer an open access policy to parents. It is always advised that a parent speak to a class teacher first regarding their child. However, The Head and Deputy head are always available to discuss any SEN issues that may arise.
Does your child enjoy coming to school?		11%	89%	- We feel that this is one of the most important aspects for a child to succeed!
Does your child like the additional support lessons they have?		11%	89%	- We try to make all programmes and interventions exciting and motivating for the child. We also closely co-ordinate with all staff to ensure that a child doesn't miss out on the same things in class each week.
What else we could we do to support your child?				
Is there anything else you would like to tell us about the school and Special Educational Needs?				

Many thanks for your support.

Mrs. E. Dean (Special Educational Needs Co-ordinator)
